Education

B.Tech. Electronics and Communication Engineering , VIT Vellore	Aug 2023 – Present
CGPA: 8.45	
GBSHSE , Dempo Higher Secondary School of Science, Taleigaon	Apr 2022
Percentage: 82.16%	
MSBSHSE , Milagris High School, Sawantwadi	Apr 2020
Percentage: 95.81%	

Skills

- **Programming:** C, C++, Python, Java, Verilog, Assembly (8051), SQL
- **Tools:** ModelSim, Quartus, AWR, Keil µVision, Proteus, Postgresql, Power Bi
- **Hardware:** 8051, Raspberry Pi, Arduino, Sensors, Motor Drivers
- **Design:** Photoshop, Canva, Figma, Filmora
- **Soft Skills:** Problem Solving, Communication, Teamwork, Analytical Thinking, Leadership

Experience

Design Intern Confection Cosmos Pvt. Ltd., Mumbai	May 2025 – Jun 2025
• Designed and developed the company's official website with a focus on modern UI/UX, improving usability and visual appeal. • Created responsive web page layouts to ensure seamless performance across desktop, tablet, and mobile devices. • Collaborated with the development team to implement company branding, optimize website content, and deliver a professional online presence.	

Projects

Obstacle Avoiding Robot Arduino, Raspberry Pi	Nov 2024 – Dec 2024
• Integrated Arduino microcontroller with motors and multiple sensors, enabling dynamic path correction. • Programmed sensor-driven navigation algorithms, reducing collisions by over 90%. • Applied embedded systems and circuit integration expertise to optimize robot performance.	
Temperature Monitoring System LM35, 8051 Microcontroller	May 2025 – Jun 2025
• Engineered a temperature monitoring system using LM35, ADC0804, and 8051 with ±1°C accuracy. • Programmed in Keil µVision, enhancing data communication efficiency by 20%. • Implemented LCD display integration, reducing reading errors by 15%.	
Smoke Detector Arduino, MQ-2 Sensor	Feb 2025 – Mar 2025
• Developed a smoke detection system with µs response time, enhancing safety monitoring. • Optimized MQ-2 sensor calibration, achieving 92% detection accuracy. • Added buzzer and LED alerts, ensuring 100% real-time notifications.	

Certifications

VLSI Design and Verification Program Ethnus	May 2025 – June 2025
• Trained in digital and analog VLSI, verification methods, and hardware modeling. • Secured Grade A (90/100) through projects and assessments.	
Oracle Cloud Infrastructure 2025 Certified Data Science Professional Oracle	August 2025 – September 2025
• Certified in cloud-based data analysis, data modeling, and data visualization. • Validated skills in data preparation, report generation, and performance optimization.	

Extracurricular Activities

- **Head of Design**, Marathi Literary Association, VIT Vellore – Directed **design strategy, branding, and digital content creation**.
- **Secretary**, Marathi Literary Association, VIT Vellore – Directed **event planning**.
- **Coordinator**, graVitas '25 Technical Fest – Oversaw **Halls and Refreshments logistics**, improving **operational efficiency**.
